STATE OF UTAH PLAN APPROVAL

Permittee:

Tooele Army Depot
Tooele County, Utah

EPA Identification Number UT3213820894

Pursuant to the Utah Solid and Hazardous Waste Act, (the Act), 19-6-101, et seq., Utah Code Annotated 1953, as amended, and the regulations promulgated thereunder by the Utah Solid and Hazardous Waste Control Board (the Board), codified in the Utah Administrative Code (UAC) R315, and pursuant to the Solid Waste Disposal Act, 42 U.S.C. 6901 et seq., as amended by the Resource Conservation and Recovery Act of 1976, 42 U.S.C 6901 et seq., and the Hazardous and Solid Waste Amendments of 1984 (HSWA), a plan approval (hereinafter called a permit) is reissued to the Tooele Army Depot (hereinafter called the Permittee), for post-closure and corrective action of the Industrial Waste Lagoon and other Solid Waste Management Units, located at the Tooele Army Depot in Tooele County, Utah at latitude 40° 31' 30" North and longitude 112° 24' 30" West. The U.S. Environmental Protection Agency (U.S. EPA) has authorized the Executive Secretary to reissue such a permit under Section 3006 (b) of the Resource Conservation and Recovery Act (RCRA).

The Permittee shall comply with all the terms and conditions of this permit. The permit consists of Modules 1 through 10, Appendices A and B, and Attachments 1 through 8. The Permittee shall also comply with all applicable State rules and regulations, including R315-1 through R315-102. Applicable rules are those which are in effect on the date of reissuance of this permit and any self-implementing provisions and related rules which, according to the requirements of HSWA, are automatically applicable to the Permittee's hazardous waste management activities, notwithstanding the conditions of this permit.

This permit is based on the premise that the information submitted in the original application dated May 30, 1989, as modified by subsequent amendments, and by permit modification requests received throughout the term of the original permit, is accurate. The Permittee's failure in the application or during the permit reissuance process to disclose fully all relevant facts, or the

Permittee's misrepresentation of any relevant facts at any time, shall be grounds for the termination or modification of this permit, the initiation of enforcement action, including criminal proceedings, or any combination of these remedies. The Permittee shall inform the Executive Secretary of the Board of any deviation from or changes in the information on which the application was based which would affect the Permittee's ability to comply with the terms and conditions of this permit.

The Executive Secretary of the Board shall enforce all terms and condition of this permit. Any challenges to any condition of this permit shall be appealed to the Board in accordance with the applicable provisions of the Utah Code Annotated.

This permit is effective as of April 18, 2011, and shall remain in effect until April 18, 2021, unless revoked or re-issued (R315-3-4.2), or terminated (R315-3-4.4), or continued in accordance with R315-3-5.2, and the conditions of this permit.

Signature: 

Date: 4/18/2011

Scott T. Anderson, Executive Secretary
Utah Solid and Hazardous Waste Control Board
